

ROBERT A. BORAZ, D.D.S., P.C.

Board Certified Specialist in
Pediatric Dentistry

Welcome...

We would like to take this opportunity to welcome you to our practice. Our specialty is Pediatric Dentistry and we are dedicated to serving children. At Boraz Pediatric Dentistry, our goal is to help children achieve optimum oral health in a setting designed especially for them. Our talented and dedicated staff enjoys working with children and each team member has special training in making children feel

at ease. Parents are welcome and encouraged to be present with their child at all times and to actively participate in their child's healthcare.

PREVENTIVE SERVICES

At Boraz Pediatric Dentistry, we believe that prevention of disease is far more enjoyable, less costly and more comfortable for all concerned. Dental health also depends upon good habits such as proper tooth brushing, the use of dental floss, proper diet, and regular professional care. Education is an integral component of each visit to our office. We recommend a dental examination at least twice a year for most children. Recare appointments can be scheduled for your convenience six months in advance or recare notices may be sent when your child is due for his/her next examination. We recommend a comprehensive examination and the teeth cleaned and polished followed by the application of topical fluoride. After the examination, Dr. Boraz will discuss with parents all pertinent issues and findings.

COSMETIC SERVICES

We offer a large, exciting range of cosmetic dentistry and tooth whitening options at Boraz Pediatric Dentistry. A beautiful, healthy smile is essential for helping your child achieve high self-esteem and reach his or her full potential. We believe every child deserves a healthy, sparkling smile.

EMERGENCIES

Never hesitate to call in a dental emergency. We have 24-hour phone service, which will give you directions for reaching Dr. Boraz. If he is not available, we'll always have a pediatric dental specialist on call to serve you.

AGAIN, WELCOME TO OUR PRACTICE

Please feel free to ask our staff any questions that you may have. We are delighted to have the opportunity to serve you and your child. *Kids' Smiles Are Our Specialty!*
